

Subtraction SNAP

Number of Players: 2 equal skill level

Materials: cards (Ace=1 Face Card=10) – 9

Play: Players divide the cards evenly between themselves. At the same time, each player turns over one card. Players subtract the smaller card from the larger card as quickly as possible and say the answer out loud. The player who gives the correct answer first collects both cards. Play continues until one player has collected all of the cards. In the event of a tie, players leave their cards down. Play resumes until one player gives a correct answer before the other and takes all accumulated cards.
